CLASS DESCRIPTIONS:

BabyBoomer Bootcamp – Cardio and sculpting without the jumping! Burn fat and have fun!

Balance Training – A more advanced balance class for adults who may have lower fall risk, but want to preserve their stability.

Barre – A unique toning class emphasizing hips, buns, and thighs. Ballet bar and chairs are utilized.

Barre Bootcamp – An energetic full body work out with traditional barre moves in addition to a full body workout. Ballet bar and chairs are utilized. The class will end on the mat with core work.

Cardio Dance Step – A combo of dancing and step class!

Cardio Kick & Core – Kick and punch your way to better health with fun kickboxing drills, choreography and core work.

Cardio/Strength – A little bit of everything! Cardio & strength training. Great for any fitness level.

Core – Strengthen both abdominal and back muscles in this express workout.

Cycling (Group) – Takes place on an ultra smooth stationary bike, urging you on to new levels of strength and endurance. Members may need to assist moving their bikes for class.

Cycling & Arms– A cycling class with upper body workouts performed on the bike intermittently throughout class.

Enhance® Fitness – A senior fitness and arthritis management program to help older adults become more active, energized, and empowered for independent living.

Fitness Blast – Fullbody workout that will jumpstart your day. Low-impact options are provided for every exercise, making this class a fit for everyone!

Fitness FUNDamentals (Ages 11-14) - Introductory class highlighting several dimensions of fitness and how it can be FUN!

HIIT – High Intensity Interval Training. High intensity cardio moves and strength training recovery periods for a full body workout.

Healthy Bones Strength – An exercise program for people with Osteoporosis, Osteopenia, or other postural issues. Classes focus on techniques to strengthen muscles, support spinal health, improve posture, practice balance, and educate on fall/fracture prevention. Class includes floor exercise. Instructors will teach safe methods to get up and down from floor.

Ignite Your Transformation– A dynamic & empowering 6 week fitness journey ! Small group programming to help you break through your plateaus!

Kickboxing Bootcamp – Combo of kickboxing, strength and cardio. Utilizes kickboxing tools such as punching bags. Gloves recommended but not required.

Ladies Who Lift– A basic guided workout including strength and cardio utilizing the equipment at the Spirit, Mind, Body Center.

Low Impact – "Nice & easy" low impact cardio and strength training for all ages and levels.

Pilates, Core, & More – Utilizes Pilate's techniques and other core training strategies to create balance & core stability.

Resist – Strength Training using resistance tools such as weights, tubing, body weight, and more!

SilverSneakers Classic® – Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles and a SilverSneakers ball are offered for resistance. A chair is available if needed for seated or standing support.

Strength Training – Weight room instruction in a small group setting. All levels welcome.

Tai Chi – A healing martial art that combines use of breath, posture, movement, and/or sound to cleanse, refine, accumulate, and circulate Qi in the body. Can be done seated or standing.

Y360 – Meet higher levels of fitness at the Y through Y360's comprehensive and intense workout routines where certified, highly skilled staff will train you using safe, effective equipment. You'll get it all in just 30 minutes.

Youth Strength Training (Ages 11-14) - Participants will learn how to safely & properly use cardiovascular along with selectorized strength equipment.

Zumba® – Fun & easy fusion of Latin, Belly, and Hip-Hop dance style moves for all levels.

Zumba Gold® – Easy to learn dance moves for adults at an easier pace.

YOGA CLASSES:

All Levels Yoga – This class blends various yoga traditions and styles. Class moves at a moderate pace to build heat and promote strength, balance, and flexibility. Instructors will offer options for all levels of practice.

Breathe. Move, Meditate–Intended to soothe anxiety and stress, this class will combine several techniques to calm the mind and nervous system. Begins with yogic breathing technique, followed by gentle movement that can be done on a chair or the floor. Class ends with a longer, guided meditation.

Chair Yoga – A gentle, mindful yoga class utilizing seated and standing poses with a chair for assistance.

Gentle Yoga – Reduce stress and tension in your body with this slow-moving class that gently stretches & strengthens the body. Class will incorporate floor-based postures and gentle, standing poses.

Healthy Bones Yoga – An exercise program for people with Osteoporosis, Osteopenia, or other postural issues. Classes focus on yoga techniques to strengthen muscles, support spinal health, improve posture, practice balance, and educate on fall/fracture prevention. Class includes floor exercise. Instructors will teach safe methods to get up and down from floor.

Hot Yoga – Uses heat to improve your flexibility and promote relaxation.

Power Yoga–A moderate-vigorous intensity gently heated practice focusing on building strength and endurance.

Vin & Yin Yoga – Vinyasa (flow) yoga moves at a moderate pace to build heat and promote strength, balance, and flexibility. Yin yoga incorporates longer held floor-based stretches. Instructors will offer options for all levels of practice.

Yoga Sculpt – Upbeat all levels fitness class that incorporates a yoga warm up and workout that blends basic yoga poses with strength building using light weights and bodyweight. Class includes some light cardio but can be easily modified with low impact movements. Class closes with stretch a peaceful moment in savasana.

Classes are subject to change at any time.
